

# Want MORE Dance?

**Are you a dancer that LOVES to perform? Do you want to get out in our community and share your love of dance with others? Is getting up on stage your \*favourite\* part of the dance year?**

**If this describes you...read on!**

On Stage Dance Studio is proud to introduce our  
BRAND NEW ENDEAVOUR for the 2011-2012 season:

## **The Community Performance Company!**

We're inviting all of our dancers to come out & enjoy the fun!

**Who:** All On Stage dancers ages 7+ - recreational, exam, & competitive dancers welcome!

**What:** Registration & Audition/Placement Class (all dancers who attend will be placed on the team)

**Where:** On Stage Dance Studio

**When:** Saturday October 1st, 3:00—3:45pm

**Why:** At On Stage, we strive to offer as many opportunities to our students as possible. We know there are many dancers out there who love to perform, but simply can't commit to the many hours of class involved in joining our competitive dance team, or who prefer to dance just for fun. For our competitive students, this is another chance to gain valuable performing experience to take your dancing to the next level. Our new Community Performance Company will give these dancers a chance to further their training and get out in front of audience's to perform! Parades, fundraisers, flash mobs, community events...you name it, we'll be there dancing & representing On Stage!

**RSVP:** All dancers wishing to register need to RSVP to [info@onstagedance.ca](mailto:info@onstagedance.ca) prior to Sept. 24th. Once you have registered, you will be emailed further information as well as a separate registration form to bring with you to the class on Oct. 1st.

For more info, including additional rehearsal times, costs, & requirements, please contact us!
