

Spring & Summer Dance Programs

Covid-19 Safety Policies for PRIVATE LESSONS

To make sure everyone stays healthy, we have put some new policies & procedures into place that must be followed. Please read these over so that you are informed & ready to dance!

BEFORE YOU ARRIVE

- Fill out your waiver & bring it with you to your first day of class.
- If you are feeling sick, or have a fever, cough, difficulty breathing, **DO NOT ATTEND CLASS**. We are relaxing our cancellation policies to ensure no dancer feels obligated to attend if feeling ill.

ARRIVAL AT STUDIO

- Do not enter the studio building until 5 minutes before your lesson start time! There will be signs on the doors to remind you.
- Parents, please stay outside the studio building. Dancers age 7& under can have one adult walk them to bottom of stairs.
- At the bottom of the stairs will be hand sanitizer - please use it on your way up!
- Wait outside the purple room on the dance-dot for your lesson to begin.
- We will not be using the change rooms at this time. There will be a spot in the purple room for you to store your dance bag. In your bag please have only your dance shoes, notebook/pen, water bottle (labelled with name).

IN CLASS

- Before entering the purple room, your teacher will ask you some screening questions and take attendance. It is very important we know who is in the studio at what time!
- Your teacher will be staying 2m away from you in class, and you should do your best to keep your distance too!

AFTER CLASS

- Gather your belongings and head straight down to meet your parent outside
- Sanitize your hands at bottom of the stairs
- Your teacher will disinfect the studio (& washroom if used) between each lesson, so it's safe for the next dancer.

OTHER GENERAL RULES & BEST PRACTICES TO FOLLOW

- If you have been exposed to covid-19 or travelled in the last 14 days, please do not attend class.
- Please use the washroom at home, before or after your class.
- The only areas of studio that you should use are the purple room and stairs at entryway
- We will have our windows open as much as feasible to encourage air flow
- If you have questions about how On Stage Dance Studio will maintain safety practices, please get in touch!
