

JANUARY DANCE FUN

at

Let's keep moving, grooving, & having fun throughout January with classes for all of our dancers! We know dance can improve our physical, mental, and emotional health, so we are offering classes for all ages and levels to keep you busy & moving throughout the January lockdown!

As is our policy, we will not be charging regular tuition for January, and our usual class schedule has been put on hold until we can reopen. Please look over the options below and choose what your child(ren) would love. Keep up with an old style or try something brand new - lots of options for everyone! All classes will be held safely over Zoom in accordance with current health regulations.

To register, sign into your Danceworks account. You can find these classes under the "January Program" drop-down menu. Dancers need to register for all classes (including free ones) in order to receive the zoom link!
