## Covid-19 Safety Policies for Dance Classes

To make sure everyone stays healthy, we have put some new policies & procedures into place that must be followed. Note that our guidelines & policies will be updated as required by provincial guidelines. Please read these over so that you are informed & ready to dance!

### BEFORE YOU ARRIVE

- Fill out your waiver & bring it with you to your first day of class (or email it to [info@onstagedance.ca](mailto:info@onstagedance.ca))
- Dancers & parents should self-screen before entering the building (QR code to scan on door)
- If you have symptoms of Covid-19 or have been told to isolate, DO NOT ATTEND CLASS.

### ARRIVAL AT STUDIO

- At the bottom of the stairs will be hand sanitizer - please use it on your way up!
- Front or back door may be used
- Please aim for 1 parent per child at drop off/pickup.
- We request that parents leave the studio building during class time, to help maintain capacity limits (ie: enter for the 5 minutes before drop off & pick up only)

### IN CLASS

- Change rooms may be used to store belongings
- Please ensure water bottles are well-labelled with your dancer's name & are not shared
- Daily tracking procedures are in place
- Dance "boxes" have been removed but dancers are encouraged to distance using other floor markings
- Dancers can remain at studio over breaks so long as capacity is not reached

### AFTER CLASS

- Sanitize your hands at bottom of the stairs
- Front or back door may be used to exit
- Please ensure an adult is present and indoors for pickup of ages 8 & under (they will not be allowed to wait in parking lot alone)

### MASKS

- Dancers must wear a mask while entering/exiting but have the option to remove their mask while dancing distanced
- Family members in the lobby/common areas need to wear a mask
- Staff is masked at all times

### VACCINATIONS

Proof of vaccination is required for:

- dancers age 18+
- family members who wish to remain in building during class time
- Proof of vaccination + government ID must be shown to studio staff

Proof of vaccination is not required for:

- dancers age 17 & under
- family members entering the studio for payment, drop off, pick up (5 mins or less)

On Stage Dance encourages everyone eligible to get vaccinated!
