Let us introduce your child to the joy of dance in our creative, energetic class tailored towards our brand new dancers. Basic dance movements are presented in an age-appropriate, engaging manner through the use of imagination songs, props, and more! Great for working on gross motor skills & social development too.

Session 2: 5:30-6:30

Creative Combo 2 (ages 6-7)

This class has it all! For new & experienced dancers, we will introduce jazz, tap, and ballet movements at an age & developmentally appropriate pace – making sure everyone has fun doing it! Dancers will need jazz or ballet shoes (or bare feet), and we will happily lend out tap shoes for dancers that need them. This class is a fantastic way to try out several styles of dance and see what most strikes your child's fancy!
